First-year expenses: First-year expenses are based on registration for 24 credits, mandatory fees, and annual living expenses. Please visit the Graduate School web site, gradsch.syr.edu/costs.pdf, for specific estimates of your cost of attendance. Although these projected minimum figures are accurate at the time of publication, please note that a precise and updated figure more specific to your circumstances will be reflected in the I-20 form that will be mailed to you upon verification of adequate financial resources. Admitted international students receiving full support (i.e., full tuition and full stipend) from Syracuse University meet this qualification. **For ISDP Students First Year Expenses do not apply.**
